<u>Direct Cost Fee</u> – Activities other than those specified for free use, youth non-profit groups, fair rental value shall be charged a fee not to exceed direct costs to the district. Direct costs include supplies, utilities, janitorial services, services of other district employees, and salaries paid to district employees necessitated by the organization's use of said facilities.

<u>Fair Rental-Value Fee</u> — Groups shall be charged fair rental-value when using school facilities or grounds for entertainment or meetings where admission is charged or contributions solicited and net receipts are not to be expended for charitable purposed or for the direct welfare of the district's students. Fair rental value includes direct costs plus the amortized costs of the facilities or grounds used for the duration of the activity (Education Code 40043)

## Application fee of \$10.00 must accompany all Facility Use Forms. The fee will be returned if requested facilities are not available.

School functions take precedent over all user groups. Facilities are not available during school and legal holidays.

(1) Fee for use of fields may be flexible based on proposed activity of the user group and assistance with other expenses such as upkeep, water, fertilizer, improvements, etc. All arrangements must be made prior to approval of use application form with Superintendent or Principal.

### **Insurance Requirements and Damage to School Property**

A one million dollar (\$1,000,000) comprehensive general liability insurance policy is required of each user group. Any group using school facilities shall be liable for any injury, sickness or disease, or death resulting from its negligence during such use. The group shall bear the cost of insuring against this risk and defending itself against claims arising from such risk. **Additional Insured Endorsement Required.** 

Individuals, groups, or organizations permitted to use school facilities shall indemnify and hold harmless the Grass Valley School District, its offices, employees, agents, and Governing Board.

Groups or persons using school facilities under the provisions of this policy shall be liable for any damage to district property caused by the users of the activity. The district shall charge the amount necessary to repair the damage and may deny further use of the facility.

The district maintains the right to terminate or deny use of district facilities by individuals, groups, or organizations for non-compliance with district policies and requirements, failure to properly care for school property, failure to properly supervise group activities during use, and/or violation of state or federal laws.
